

## Information letter #1

**The 5<sup>th</sup> International Symposium on Cosmic Rays and Astrophysics (ISCRA-2025)** is organized by the National Research Nuclear University MEPhI and the Consortium “Cosmic Rays and Elementary Particles” under the auspices of the Scientific Council of the Russian Academy of Sciences on the complex problem “Cosmic Rays” and will be held on **June 24-26, 2025**.

The aim of the Symposium is a wide discussion of experimental and theoretical results obtained in the field of high energy cosmic rays, astrophysics and cosmophysics.

This year the **Scientific Programme** of ISCRA-2025 includes the following topics:

- Cosmic rays (nuclei, gammas, neutrinos) of very high energies ( $> 10^{14}$  eV);
- Cosmo- and geophysical aspects of cosmic rays at the ground level.

### Participation

Everyone interested in topics of the Scientific Programme is welcome to register on the official Symposium website (<https://indico.nevod.mephi.ru/e/iscra-2025>) and to submit the Abstract with indication of the Section of the Symposium and the type of presentation. The Abstract should contain a clear description of new results, ideas, approaches and their further development which would give contribution to discussion of the announced scientific topics. The total number of contributions is limited. The decision to accept or reject the report will be made by the Program Committee based on the results of consideration of the Abstract.

### Symposium languages

English and Russian

### Remote participation

The opportunity to present a contribution via videoconference services will be provided only for foreign participants and participants from distant regions of the Russian Federation.

### Presentation types:

- Overviews (25 minutes including discussion);
- Original talks (15 minutes including discussion);
- Posters (size A1, vertical).

### Registration fee

Participation is free of charge

### Proceedings

Symposium proceedings are planned to be published in the refereed journal “Physics of Atomic Nuclei” in the end of 2025.

## Important dates

<b>April 07</b>	Start of registration and abstract submission
<b>May 15</b>	Deadline for registration and abstract submission
<b>June 05</b>	Notification of abstract acceptance
<b>June 20</b>	Publication of the preliminary timetable
<b>June 24-26</b>	Scientific sessions of the Symposium
<b>July 15</b>	Submission of the final version of the paper
<b>December 2025</b>	Publication of Symposium proceedings

## Symposium Venue

The Symposium will be held in the [National Research Nuclear University MEPhI](#) located at [Kashirskoe shosse 31, Moscow, Russian Federation, 115409](#).

## Visa information

Foreign participants of the Symposium have to obtain a visa according to the Invitation letter from the National Research Nuclear University MEPhI (tourist visas are not acceptable).

## Accommodation

The nearest hotel to MEPhI (about 800 m of walking distance) is “Intourist Kolomenskoe”. The current room prices are about 6 000 – 7 000 RUB/day. Booking can be done at the hotel’s website directly: <http://intourist-kolomenskoe.ru>.

Limited number of apartments will be available in the MEPhI hostel. The room prices are:

- 7 800 RUB/day for the 1-room apartment (accommodation for up to 3 people is possible);
- 13 000 RUB/day for the 2-room apartment (accommodation for up to 5 people is possible);
- 15 600 RUB/day for the 3-room apartment (accommodation for up to 6 people is possible).

The requests for booking apartments in the MEPhI hostel must be sent to the Organizing Committee’s e-mail: [iscra@mephi.ru](mailto:iscra@mephi.ru).
