

ISCRA-2021

International Symposium on Cosmic Rays and Astrophysics

Information letter #3

The 3rd International Symposium on Cosmic Rays and Astrophysics (ISCRA-2021) is organized by the National Research Nuclear University MEPhI (Moscow Engineering Physics Institute) and the Consortium “Cosmic Rays and Elementary Particles” under the auspices of the Scientific Council of the Russian Academy of Sciences on the complex problem “Cosmic Rays” and will be held Online on **June 08-10, 2021**.

The aim of the Symposium is a wide discussion of experimental and theoretical results obtained in actual research directions in the field of high energy cosmic rays and astrophysics.

Timetable

The interactive timetable is published at the official website of the ISCRA-2021 Symposium: <https://indico.nevod.mephi.ru/event/6/timetable/#20210608>

The 1st session of the Symposium starts at 10:00 (Moscow time, GMT +3:00), June 8.

Since the timetable may slightly vary, please, check the date and time of your presentation on the Symposium website in advance.

Contributions

The Symposium provides only oral presentations of two types: overview (25 minutes including discussion) and original (15 minutes including discussion) talks. You can check the type of your talk in the interactive timetable or at the webpage of you contribution.

We kindly ask you to upload your presentation materials **at least 1 hour before** the beginning of your session. It can be done at the webpage of you contribution. The PDF, PPT and PPTX formats of presentations are acceptable.

Participation and presentation of contributions

The online sessions of the Symposium will be organized using **Zoom** application. You can join the sessions at the link: <https://zoom.us/j/93625682806>. At the login step, you will be asked to enter the access password which will be forwarded to all participants via e-mail by Monday, June 7. We would like to prevent the Symposium sessions from undesirable participants, so, please, do not share this password with anyone!

Zoom application (Zoom Client) can be downloaded from the developer’s official website.

Depending on your operating system, please use the following links:

- for Windows: <https://zoom.us/download?os=windows>;
- for MacOS: <https://zoom.us/download?os=mac>;
- for Linux: <https://zoom.us/download?os=linux>.

You can find the “How to...” instructions at the following link:

<https://support.zoom.us/hc/en-us/articles/206175806>

For the participants who have never used Zoom application before or have little experience in it, we are organizing the Training session (<https://zoom.us/j/93625682806>) from 11:00 till 12:00 (Moscow time, GMT +3:00) on Monday, June 7.

In case of troubles

In case of any troubles **during the Symposium (June 8-10)**, please, feel free to contact the responsible members of the Organizing Committee:

	Tel.	E-mail
Anna Dmitrieva	+7 (965) 166-15-65	ANDmitriyeva@mephi.ru
Ivan Shulzhenko	+7 (916) 038-12-25	IAShulzhenko@mephi.ru
Alena Konovalova	+7 (926) 572-56-40	AYKonovalova@mephi.ru

!!! We are looking forward to meet you Online !!!
